Home Screen

The screenshot shows the Home Screen of a web application. At the top, there's a navigation bar with the JIS Group logo and a user profile icon. Below the navigation bar, there are three tabs: "Routine", "Own Attendance", and "Student Attendance". The "Routine" tab is currently selected. The main content area features a date range selector with "From Date" (01/09/2022) and "To Date" (15/10/2022), and a "View Date Wise" button. Below this is a table with columns for DAY, DATE, and six periods (Period - I to Period - VI). The table shows data for Thursday (01/09/2022) and Friday (02/09/2022). Annotations with arrows point to specific elements: 1. Click here for class attendance (points to the "Routine" tab), 2. Click here for lesson plan preparation (points to the "Period - I" column header), 3. Click here to view weekly routine (points to the "Period - I" column header), and 4. Click here to view own attendance (points to the "Own Attendance" tab).

Class Attendance

The screenshot shows the Class Attendance interface. On the left, there's a sidebar with a "By Name" search box, a table with "Select", "Period", and "Status" columns, a "Remarks" section with a text area and a "Set All" button, a "Topic" section with a text area, and a "Topic Delivered" section with a text area. The main content area has a "Select All" and "Deselect All" button at the top, followed by a table with columns: Select, College Roll, Name, University Roll, Remarks, Course, Stream, and Semester. The table lists 10 students, all with "N/A" for College Roll and "B.Tech" for Course. The "Remarks" column is empty for all students. The "Stream" column is "ECE" for all students, and the "Semester" column is "B.TECH - 3rd Se" for all students. At the bottom, there are "Save" and "Cancel" buttons.
